2. Your Policy

If you purchase our car insurance policy

The most recent:

- Policy Summary

Together with this Product Disclosure Document, will be the insurance contract between you and us (collectively referred to as your "Policy"). Any information, statement or declaration made by you for yourself or on behalf of other insured person(s), including any information, statement or declaration made over the phone or by fax, email or the internet at the time of application, will form the basis of the contract.

If there is any inconsistency between the above documents, the provisions in the document first mentioned in the above list shall take effect over the document listed subsequent to it.

Policy documents

You have the option to have your Policy sent to you by email only. If you select this option to go paperless, we will give you a discount on your insurance premium. Otherwise, we will mail your Policy to your address.

IMPORTANT

After reading your Policy carefully, you should keep it in a safe place for future reference and place a copy of the Certificate of Insurance in your Car.

Our agreement

In return for you meeting your obligations under your Policy including the payment of premiums when due, we will give you and the Insured Driver(s) the protection described in your Policy for events which occur during the Policy Term as shown on your Certificate of Insurance.

Conditions precedent

As a condition precedent to our liability to make payment under your Policy, you must:

- satisfy your Duty of Disclosure and ensure that all information you give us is true, accurate and complete and to immediately update us whenever there are any changes or inaccuracies in the information you have given us;
- make prompt payment of all premiums, any applicable Excess and any other payments payable by you to us including GST, where applicable, as and when they fall due; and

- be named in your Policy Schedule and/or Certificate of Insurance;

In such case where your Policy is cancelled, there will be no refund of unused premium, in view of the claim(s) made against your Policy, pursuant to section 16 (Cancelling Your Policy and Refunds).

Payment of premium

If you are paying your premium by instalments, you have to pay each instalment by its due date. You are responsible for ensuring all instalments are duly paid, even if we have paid your claim and are no longer liable to make any payment under your Policy. In the event of your death at any time during the instalment period, your estate or legal representative will be responsible for paying the remaining instalments by the respective due date. Any late payment will be subject to interest and further charges including legal costs, if any.

3. Your Duty of Disclosure

We use the information you give us to decide whether to insure you and on what terms. When giving this information, you are doing so for yourself and anyone else who will be insured under your Policy.

What you must tell us

When you buy this Policy for the first time, you must be honest when answering our questions and tell us anything known to you and which a reasonable person in the circumstances would include in the answers to the questions. The questions we may ask include:

- Have you made any recent claims?
- Has your Car been modified?
- Who will be driving your Car?
- What will your Car be used for?
- Have you had any recent motor accidents?
- How long have you been driving?

Similar questions may be asked of the Main Driver and Named Driver(s), if any.

When you renew, extend, vary or reinstate your Policy, you must let us know if there are any changes to your answers given to the questions we had asked previously and disclose every matter that you know or could reasonably be expected to know, which may be relevant to us in deciding whether to continue to insure you.

When material changes have taken place, you must update us immediately whenever there is any change to:

- the ownership of your Car;
- any information relating to your Car;
- the Main/Named Driver(s) or their particulars;
- your Car usage,

or any other information you had given us previously but which has become incorrect or outdated as a result of a change in circumstance.

If there are material changes

- You may inform us of the changes by giving us 7 days' notice in writing to effect the changes.
- We may terminate your Policy and refund you the balance premium (if any) if we do not accept the changes.
- If we accept these material changes, we will confirm the amendment to your Policy in writing and the premium may be varied.
- If the premium is reduced, we will refund you the difference if it exceeds S\$10.00.
- If the premium is increased by S\$10.00 or more, you will have to pay the difference by the due date to ensure continuation of your Policy.

If you do not tell us

If you do not comply with your Duty of Disclosure or update us of any material changes, we may reduce or refuse to pay a claim and/or cancel your Policy. We may also have the option to treat your Policy as if it never existed.

4. When You Receive Your Policy

Make sure the information is correct

Please check the information in your Policy and notify us of any changes or corrections straightaway. This is an important part of your Duty of Disclosure.

5. Geographical Limits

Your Policy covers claims relating to the use of your Car and incidents involving your Car in Singapore, West Malaysia (including Penang and the other islands offshore of West Malaysia) and Southern Thailand (being that part of Thailand which is within 80 kilometres of the border between Southern Thailand and West Malaysia) only.

6. Your Policy Cover

A. Your Cover

The type of cover will be shown in your Certificate of Insurance. The cover offered is:

1. **Comprehensive** – covers your legal responsibility for damage to other people's property, and bodily injury or death to other people caused by an accident involving your Car plus cover for damage to your Car as well as damage to your Car's windscreen and windows.

B. Your Driver Plan

The driver plan will be shown on your Policy Schedule and/or Certificate of Insurance. The driver plan offered is:

1. **Named Driver Plan** – your Policy will only cover the following persons driving your Car when it is involved in an accident:
 - the Main Driver; and
 - up to 2 Named Drivers (if any).

The Main Driver and all Named Driver(s) must be approved by us and they will be named in the Policy Schedule and/or Certificate of Insurance.

Under this Plan:

- you (including the Policyholder) will have to be named as either the Main Driver or a Named Driver in the Certificate of Insurance in order to be covered;
- the Main Driver and all Named Driver(s) will be covered when they drive your Car;
- an Unnamed Driver will NOT be covered even if that driver is authorised by you to drive your Car; and
- the Named Driver Excess may apply, in accordance with section 11 (Excess).

IMPORTANT

You must give us accurate, true and complete information on the Main Driver and Named Driver(s) such as their respective age, driving experience, claims history and past driving offences (if any) as we will rely on this information to decide whether to provide the insurance coverage and if so, the terms and conditions of your Policy.

If you do not do the above or fail to update us immediately in the event of any material change in the driver(s)' information, we may cancel your Policy and treat it as if it never existed and you may not receive any payment if you make a claim under your Policy.

However, we will not pay for:

- damage to mirrors, sun roof, moon roof or any other glass panels of your Car; or
- the cost of any solar film or similar as a result of replacing your Car windscreen or window, unless you have declared it under the Modifications and Accessories optional cover and paid for the additional premium to cover it.

If you are claiming under this optional cover only, the Policy Excess does not apply and your NCD will not be affected.

B. Medical Expenses

If you, an Insured Driver and/or passenger of your Car suffer any bodily injury as a direct and immediate result of an accident while you or the Insured Driver were/was driving your Car, we will pay the reasonable medical expenses incurred up to the maximum amount of S\$500.00 per person per accident.

If you are claiming under this optional cover only, the Policy Excess does not apply and your NCD will not be affected.

C. Overseas Emergency Allowance

If your Car driven by you or an Insured Driver is immobilised or lost for more than 6 hours following an accident, breakdown or Theft outside Singapore but still within the covered geographical limits of your Policy, we will pay up to the limit for this cover shown on your Policy Summary for:

- arranging to transport you, the Insured Driver (if not you) and passengers of your Car back to Singapore;

In addition, your Policy will pay up to a sum of S\$25,000.00 per person to cover medical evacuation fees incurred if you, the Insured Driver or a passenger of your Car sustains a serious bodily injury in an accident outside Singapore but within the geographical limits of your Policy, and if the medical conditions suffered warrant an emergency evacuation back to Singapore as determined and arranged by us.

If you are making a claim under this optional cover only, the Policy Excess does not apply and your NCD will not be affected.

D. 24 Hours Roadside Assistance

If your Car breaks down within the covered geographical limits of your Policy and you or the Insured Driver cannot drive it, we will pay you:

- the reasonable cost of obtaining breakdown assistance by paying the activation or call out fee for such assistance, which shall be limited to one activation for the same incident within a 24-hour period; and
- the reasonable cost up to S\$200.00 for towing your Car from the scene of the incident to an Authorised Workshop or the workshop of your choice if your Car cannot be repaired on the spot. The workshop need not be in Singapore if your Car is not in Singapore when it broke down.

If you are making a claim under this optional cover only, the Policy Excess does not apply and your NCD will not be affected.

E. **Transport Allowance**

This optional cover will not be applicable for a claim which involves only Car windscreen or window damage.

If your Car is damaged in an accident or lost as a result of Theft within the geographical limits covered by your Policy and we accept your claim under your Policy, we will pay you a transport allowance of S\$50.00 per day:

- **if your Car is lost:** until your Car is found and returned to you or up to a maximum of 30 days, whichever is earlier;
- **if your Car is a total loss:** up to the date your claim is settled subject to a maximum of 30 days; or
- **if your Car can be repaired:** from the day your Car is delivered to the workshop up to the day your Car is repaired. We will only pay you for the number of days it actually took to repair your Car even if it is completed sooner than estimated by the surveyor prior to the commencement of the repair, up to a maximum of 10 days per accident and subject to a maximum of 20 days in a Policy Term.

Notwithstanding the above paragraph, the total transport allowance we will pay under this optional cover is for up to a maximum of 30 days in a Policy Term.

We will also pay you an additional "get you home" allowance of S\$50.00 after an accident if you have purchased this optional cover.

If you are making a claim under this optional cover only, the Policy Excess will not apply and your NCD will not be affected.

F. **Modifications and Accessories**

We may at our option repair, replace or pay cash for lost or damaged Modifications or Accessories which are not part of the manufacturer's standard fittings for your Car which you have declared the sum to be insured and we have accepted to be covered under your Policy. In order to claim under this optional cover, the Modifications or Accessories must be lost or damaged in an accident or by Theft.

The Modifications and Accessories covered under this optional cover must comply with all relevant laws including that prescribed by the Land Transport Authority of Singapore.

Exclusions

- We will not pay for any repair or replacement of the Modifications or Accessories or compensate you if:
 - the Modification or Accessory is lost or damaged due to wear and tear, depreciation, mechanical, electronic or electrical breakdowns, failures or breakages, corrosion or deterioration due to atmospheric conditions, rusting, oxidisation, decolourisation or loss or damage caused by any process of cleaning, restoring, altering, maintaining, repairing or scratching of painted or polished surfaces, own ignition or explosion; or
 - the Accessory is lost or damaged due to any person's negligence.
- We will not cover Theft of or damage to your Car's Accessories unless your whole Car is stolen at the same time and your Car is recovered in a damaged condition.

G. **Any Workshop**

If you purchase this optional cover, you can choose any workshop in Singapore to repair your Car. Otherwise, all repairs to or replacement of parts of your Car covered under your Policy must be carried out by an Authorised Workshop.

H. **Singapore Only**

You will enjoy a discount off the usual premium if you agree to drive your Car within mainland Singapore and Sentosa island only.

If you drive your Car outside Singapore and breach the above term, even if your Car is not involved in an accident, this Policy will be voidable at our option without any refund of the premiums paid. In addition, we reserve the right to claim against you for reimbursement of any payment made under your Policy and any other loss or damage suffered by us under and/or in relation to your Policy including legal costs and interests.

11. **Excess**

An Excess is the amount you must first contribute towards the cost of each incident which is the subject of a claim. Payment of an Excess helps to reduce the number of small claims and keep your insurance premiums low.

Types of Excess

The table below shows the types of Excess which will apply when you make a claim.

Type of Excess	On Each and Every Claim**
Policy Excess	S\$3,000.00
Additional Excess	
- Windscreen Excess	S\$100.00

** before any applicable GST

Calculation of the total Excess payable on claims

The total Excess you have to contribute towards a claim is the aggregate of the Policy Excess and any Additional Excess(es) which apply.

Policy Excess waived

You do not have to pay any Policy Excess towards a claim arising from an accident involving another identified vehicle registered in Singapore, that was wholly not your fault based on our assessment.

If you are making a claim under your Policy for damage to your Car, you must submit such claim to us within 14 days from the date of the incident.

Failure to make a report or submit a claim in time

If you fail to make a report or submit a claim within the required time frame:

- we may repudiate liability and you will not be protected under your Policy. This means that you will have to bear the repair costs of your Car and deal with any third party claims against you;
- your NCD will be affected as outlined in section 14 (No Claim Discount (NCD)); and
- we may cancel or decline renewal of your Policy.

General conditions

You must also ensure that:

- you produce all relevant documentary evidence of ownership and value to support your claim;
- we are supplied, at all times, with updated, true and complete information regarding your Car, the Main/Named Drivers and all relevant details of the incident;
- your Car is maintained in a roadworthy condition (fair wear and tear excepted);
- the driver of your Car was holding a valid driving licence to drive your Car at the time of the incident;
- following an accident, you and the driver (if not you) remain at the scene of the accident and not leave your Car unattended;
- your Car is registered under the Road Traffic Act 1961 of Singapore and its registration under the said Act is not cancelled at the time of the incident;
- when your Car is left unattended for any period, your Car is locked, with any required security devices activated and all keys removed from your Car;
- all reasonable steps are taken to prevent any further loss or damage, including after an accident, breakdown or Theft recovery;
- we are provided with all relevant information and prompt assistance necessary to process any claims, recover any costs or take any legal action;
- no costs are incurred and no admission of liability, offer or settlement is made without our prior agreement in writing;
- any disabilities or medical conditions that may affect the driver's ability to drive have been disclosed to us and we had accepted the disabilities or medical conditions (if any) in writing and you had paid any accompanying increase in the premiums;
- we are told immediately if you or the Insured Driver is charged with an offence or faces a civil lawsuit following the incident;
- you notify us of any other insurance policy (whether you are the policyholder or not) that provides similar cover for the incident as your Policy; and
- you co-operate with us in handling any claims or demands including providing information promptly, executing documents and attending Court to give evidence.

If you do not observe any of the above conditions, we may reduce or refuse to pay a claim, or cancel your Policy.

What we can do

We are entitled to:

- pay for your loss or damage either by payment, repair and/or replacement as we deem fit;
- take over and conduct the defence and settlement of any claim in your name or in the name of any other person insured by your Policy;
- initiate proceedings in your name or in the name of any other person insured by your Policy to recover any payment that we have made; and
- refuse a claim for any loss which is covered under a contract arranged by a person other than you.

Repairs to your Car

- For your convenience, we can appoint a workshop and manage the entire repair process of your Car on your behalf.
- You must allow us to inspect your Car before any repairs are undertaken. You may choose to nominate your own workshop if you have purchased the Any Workshop optional cover.
- You, or any other person, must not carry out repairs to your Car without our prior written authorisation, except for essential repairs of up to S\$300.00 to enable you or an Insured Driver to drive your Car away from the scene of the accident immediately after its occurrence.
- Our duty is to return your Car to the condition it was in immediately before it was damaged. If we agree to additional repairs, painting or parts which improve the condition of your Car beyond its condition immediately before the loss or damage suffered, you may have to pay for the cost of the improvement.
- We will authorise the use of parts which are consistent with your Car's age and condition.
- If you do not accept or comply with any of the terms in this paragraph "Repairs to your Car", we may reduce or refuse to pay your claim.

Repair guarantee

We will guarantee against defects of repairs carried out by an Authorised Workshop for a period of 12 months or until your Car is damaged again, whichever is the earlier.

Total loss of your Car

If your Car is stolen and not recovered, or we decide that it would not be safe or economical to repair the damaged Car, we may at our option replace it or pay the Market Value of your Car, then:

- you must pay any applicable Excess and any remaining premium instalments for the full Policy Term;
- your Car becomes our property and we will retain the proceeds of any salvage, sale and balance COE, PARF value etc.; and
- you must co-operate and sign all documents reasonably required to transfer the ownership of your Car to us.

The cover under this Policy ceases upon settlement of your claim.

Multiple Insurances

If you have other insurance policies covering the same liability as this Policy, we will only pay you our share of the claim and will not have any obligation to make any payment to you if you are entitled to seek indemnity under another insurance policy. This does not apply to the Personal Accident optional cover.

Hire-purchase/Leasing/Legal owner

If you have notified us that your Car is under a hire-purchase or leasing agreement or that someone else is the legal owner of your Car, we may pay any cash settlement to the hire-purchase company or such legal owner.

We may also notify such hire-purchase company or the legal owner of your Car of the cancellation of your Policy or provide them with any other information as we deem appropriate.

14. No Claim Discount (NCD)

Provided you have been insured with us for the last 12 months and you did not make any claim under your Policy, we will give you a discount off your premium on the following scale when you renew your Policy:

Number of claim-free years	NCD
One year	10%
Two years	20%
Three years	30%
Four years	40%
Five or more years	50%

Your NCD will be shown on the Policy Schedule and/or Certificate of Insurance. However, if subsequently, there is a claim made under your Policy, we will reduce your NCD upon renewal as follows:

Current NCD	NCD after 1 claim
50%	20%
40%	10%
30% and under	0%

Your NCD will be reduced to 0% when 2 (or more) claims are received under your Policy in a Policy Term.

If you fail to report an incident leading to a claim on your Policy within 24 hours of the incident or the next working day, we will reduce your NCD by a further 10%.

Your NCD will not be affected if:

- your claim is only for Car windscreen or window repair or replacement only; or
- your Car is involved in an accident with another identified vehicle registered in Singapore, that was wholly not your fault based on our assessment.

Your NCD entitlement cannot be transferred to another person.

If you sell your Car and buy another one and continue to maintain a car insurance policy with us, you will be entitled to retain your NCD for the new policy. If, however, you own more than one car, you will need to earn the NCD for each car. In such cases, we will advise you on the NCD under each policy.

NCD verification

We reserve the right to verify your NCD declaration with your previous insurer(s). Where your NCD declaration has been found to be inaccurate after such verification or if there is any change to your NCD (due to an accident occurring after your Policy purchase or otherwise), we will notify you and you may be required to pay an additional amount as a result of premium increase (following correction of your NCD). If we do not receive such amount payable, we may reduce the Policy Term to correspond to the period of insurance covered by the premium that you paid at the outset.

If we are required by law or under the agreements stated in section 20 (Governing Law) to pay for any liability to any third party after the shortened Policy Term, you shall indemnify us for all such amount paid by us.

15. Renewing Your Policy

To ensure continued protection, we will normally send you a renewal offer at least 30 days before the renewal date of your Policy. Unless you have notified us of any changes to the information you had given us, we will assume that there are no changes when deciding whether to send you the renewal offer. If you notify us of any changes, we will send you the renewal offer only if we accept those changes.

The renewal offer will show the premium and Excess for the new policy, and may also include notice of any changes to the terms of the new policy.

What you need to do when we send you a renewal offer

	If you wish to renew your Policy	If you do not wish to renew your Policy
If you are on the Automatic Renewal arrangement	You do not have to do anything and we will deduct/charge the renewal premium from your credit card known to us 14 days before the renewal date.	You must inform us of this at least 14 days before the renewal date and your Policy will lapse after the last day of cover.
If you have opted out of the Automatic Renewal arrangement	You will need to pay the premium in full by the due date shown in the renewal offer.	We will take it that you are not renewing your Policy if we do not receive the full premium by the due date shown in the renewal offer and your Policy will lapse after the last day of cover.

When you receive a renewal offer, you must tell us if the information contained in it is incorrect or incomplete or if there has been changes to the information or your particulars which you had provided us before the commencement of your Policy. If you do not tell us, we may reduce or refuse to pay a claim. This is an important part of your Duty of Disclosure.

We will send a notice of non-renewal to your address last known to us if we decide not to invite you for renewal of your Policy.

IMPORTANT

The terms and conditions of the renewed policy will be based on the prevailing terms and conditions offered by us and may be different from those in the current Policy without any prior notice to you. You are advised to go through the terms and conditions when you receive the new policy. If you do not accept the terms and conditions of the renewed policy, you should not renew your Policy. If you cancel the renewed policy after cover has started, reimbursement of the premium paid (if any) for the renewed policy will be based on the prevailing terms and conditions of the renewed policy.

16. Cancelling Your Policy and Refunds

By us

We can cancel your Policy by giving you at least 7 days' notice. You are considered to have received the cancellation notice on the same day if we deliver the notice by hand (to your address last known to us), fax or email.

Refund of premium

If your Policy is cancelled before or on the start date of your Policy Term, we will charge a cancellation fee of \$50.00 (before any applicable GST).

If your Policy is cancelled after the start date of your Policy Term, we will charge a cancellation fee amounting to 20% of the unused premium covering the remaining unexpired portion of the Policy Term. You will receive a premium refund of the remaining 80% of the unused premium, provided no claims (including for windscreen and roadside assistance) and/or incidents have been made or reported against your Policy. In such case, any refund of the pro-rated unused premium will be computed as follows:

$$\text{Premium to be refunded} = \left[\frac{\text{Total premium}}{\text{the original Policy Term (in terms of days)}} \times \frac{\text{the unexpired portion of the Policy Term (in terms of days)}}{\text{the original Policy Term (in terms of days)}} \times 80\% \right]$$

We will waive or refund the cancellation fee if you take up another car insurance policy with us within 90 days from the effective date your Policy is cancelled. Any outstanding premium is payable on or before the effective date of cancellation.

Reimbursements or payments owing or payable by you to us would have to be fully paid before we refund any premiums to you. Where applicable, we may, in our sole discretion, choose to set-off such reimbursements and payments owing to us against any premium that is refundable to you and claim against you for any remaining balance due to us after the set-off. Any late payment will be subject to interest and further charges including legal costs, if any.
